## REQUESTED CLARIFICATION:

**Please circle all applicable bid packages below, that this RFI pertains to:**

Base **bid** Included

**Alt #1** Included

**Mt #2** Included

General condition states should it be necessary to remove, relocate, or temporarily maintain a utility because of interference with the work, the general contractor is to include this cost if not covered by utility owner.

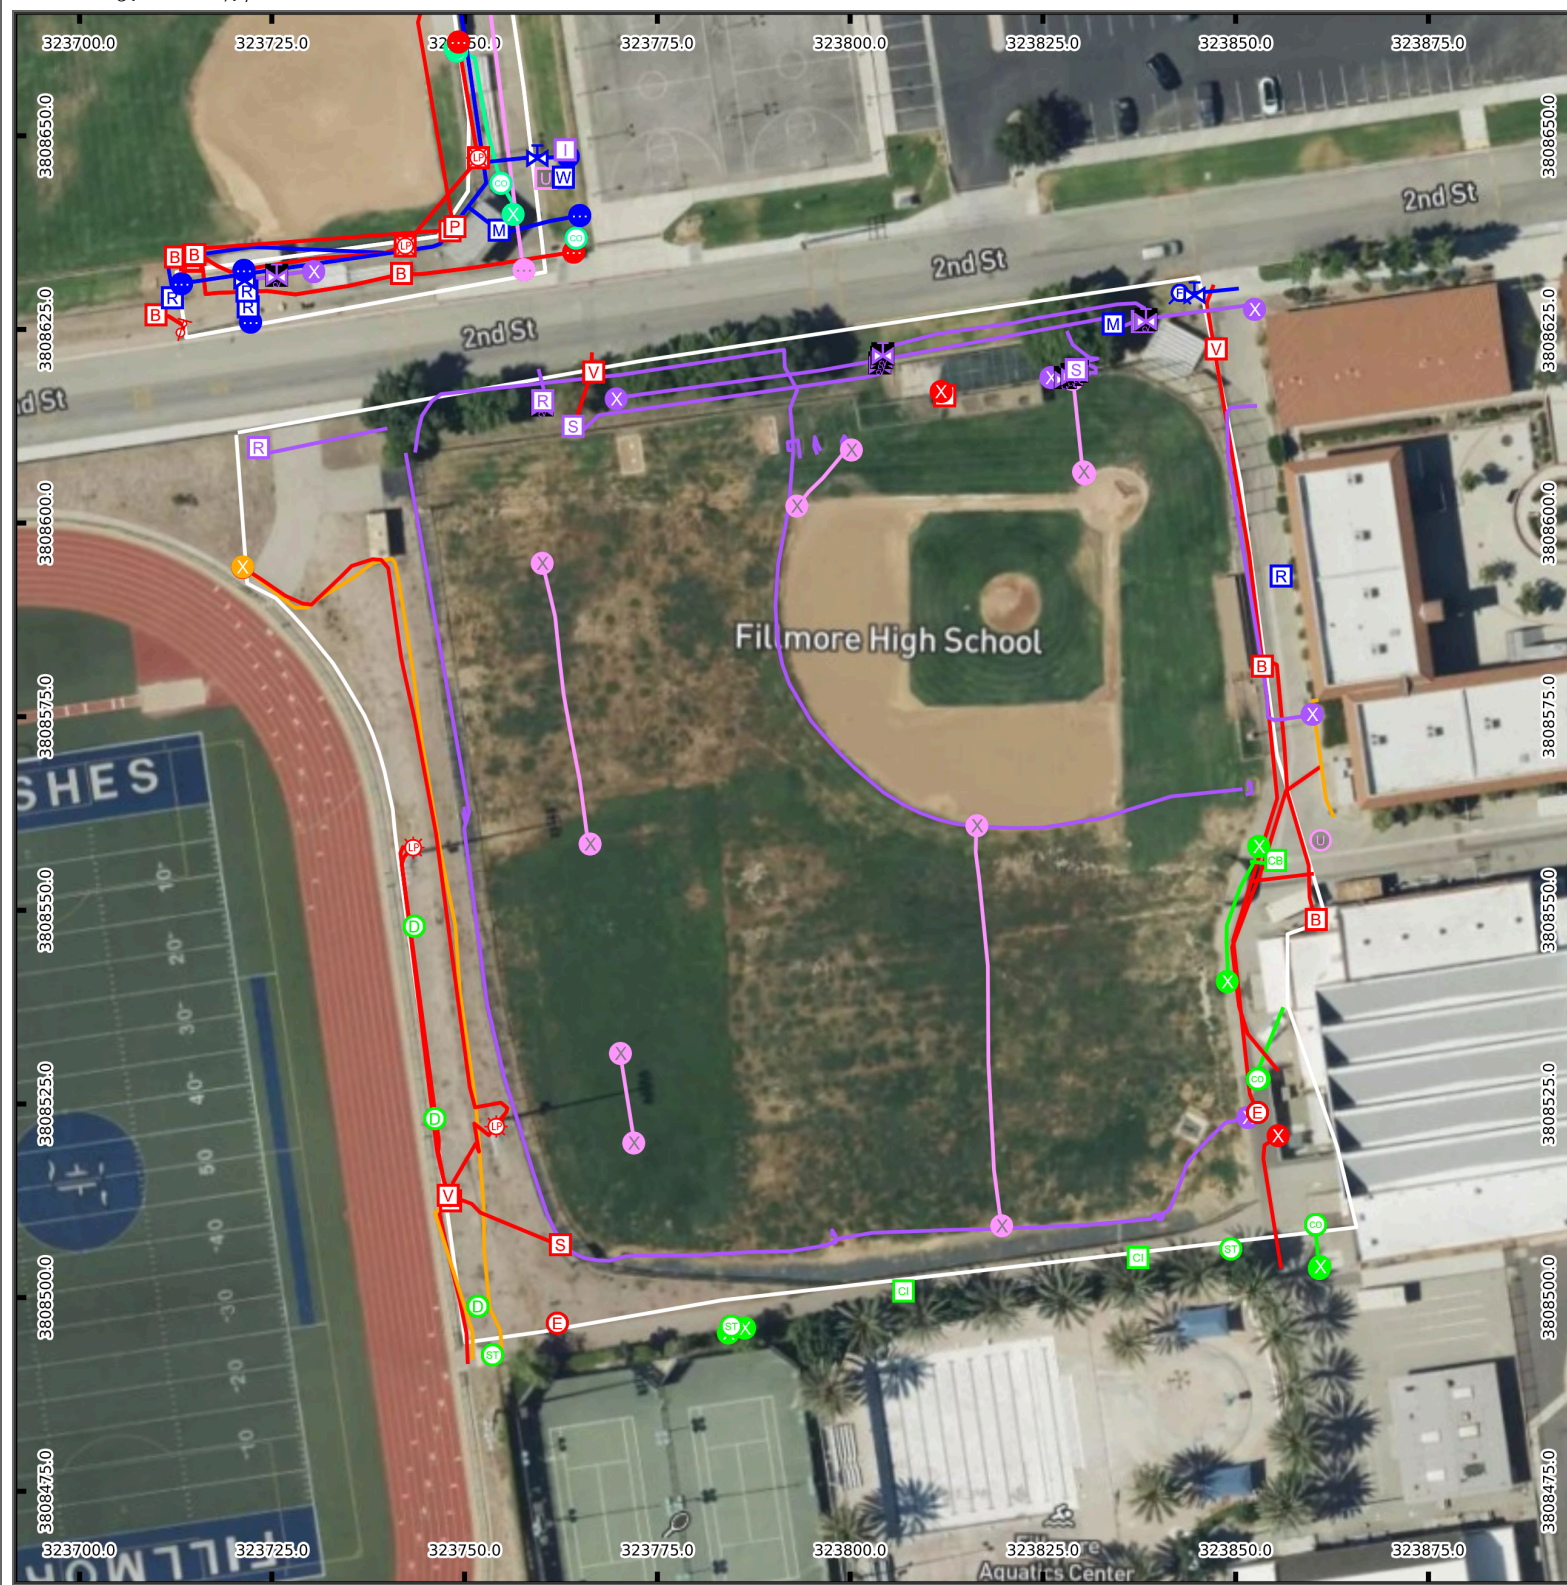

Please confirm this excludes any unforeseen utilities, not referenced on drawings.

If bidders are to include any unforeseen utilities, please provide an allowance to be included in all bids.

Prime contractor is not responsible for undocumented utilities. In addition to the utilities shown on the plans, the District will provide a Utility scan prior to construction. Contractor will be responsible for verifying and potholing all known or identified utilities.

Attached is a preliminary utility scan for existing utilities.
