

## HD INTERIOR FIRE SYSTEM INSTALLATION ESTIMATE

Proposal Date 9.17.25

Fireblast Global, Inc. is the (OFCI) manufacturer of the gas-fired training props in the Fontana project. Fireblast is a supplier only and not a licensed contractor, however the following allowance is based on the industry standard for a typical installation of a project this size.

<i><b>ESTIMATE DESCRIPTION</b></i>	<i><b>PRICE</b></i>
<b>INSTALLATION ESTIMATE TO INCLUDE:</b>	
Remove fire training props and systems from shipping crates	
Place fire training props in identified locations (burn rooms)	
Mount exhaust fans, control panels, emergency stops, temperature monitoring sensors and gas monitoring systems	
Connection to provided 2" propane pipe stub up in equipment rooms and distribute propane piping from equipment room to all control panels and burn prop equipment	
Connection from provided electrical disconnect boxes to fire training equipment space and distribute conduit to all burn props	
<b>INSTALLATION ALLOWANCE ESTIMATE (PROVIDED BY OTHER)</b>	<b>\$300,000.00</b>
