SECTION 1 – BID FORM

Honorable President and Members of the Governing
Board of the Chaffey Community College District
c/o Tanisha Grattan, Director, Purchasing Services
5885 Haven Avenue
Rancho Cucamonga, California 91737

In response to the Notice Inviting Bids dated **October 20, 2025**, for:

CHAFFEY COMMUNITY COLLEGE DISTRICT
BID No. 2026PW188
New Welding Facility at Intech Center
9400 Cherry Ave., Fontana 92335

The Work to be performed under this Contract includes, the construction of one 4,200 sf engineered metal welding building located on the Fontana SCI/Nucor campus. The project has exterior patios, site walls, and EV parking. The Project must be completed within the Completion Time, as provided in the Bid and Contract Documents. Bidders are strongly encouraged to review the Bid and Contract Documents for more complete information regarding the Project and submission of bids. This project is on the Fontana Intech Center Campus, **County of San Bernardino, California**, as is more fully described in the Bid and Contract Documents. All capitalized terms shall have the meanings ascribed to them in the General Conditions.

We, the undersigned, hereby declare that we have carefully examined the location of the proposed Work, and have read and examined the Bid Documents, including all plans, specifications, and all addenda, if any. We hereby propose to furnish all labor, materials, equipment, tools, transportation, and services, and to discharge all duties and obligations necessary and required to perform and complete the "Work."

To be responsive, Bidder must enter a Base Bid Amount as a Lump Sum for the **Unit Price** item. The Base Bid Amount for a Unit Price item equals the price per unit times the estimated quantity/measure. Bidder represents that it calculated its Base Bid Amount as a Lump Sum using the Unit Prices entered and agrees that this same Unit Price shall be incorporated into the Contract to be utilized at OWNER'S sole option for any additional work beyond or any reduction in work from the Base Bid Amount. When applicable, in case of discrepancy between the Unit Price and the Base Bid, the Unit Price shall prevail and shall be utilized as the basis for determining the lowest bid. However, if the amount set forth as a Unit Price is ambiguous, unintelligible or uncertain for any cause, or is omitted, then the amount set forth for the Base Bid price shall prevail.

The undersigned agrees that these Bid Forms constitute a firm offer to the OWNER which cannot be withdrawn for the number of Calendar Days indicated in the Notice Inviting Bids from and after the bid opening deadline, or until a Contract for the Work is fully executed by the OWNER and a

third party, whichever is earlier. The undersigned also agrees that if there is a discrepancy between any written amount and the numerical amount, the written amount shall govern.

Attached hereto is a certified check, a cashier's check or a bid bond in the amount of

_____ Dollars (\$_____)

_____) **said amount being not less than ten percent (10%) of the Total Bid Price including alternates.** The undersigned agrees that said amount shall be retained by the OWNER if, upon award, we fail or refuse to execute the Contract and furnish the required bonds, certificates and endorsements of insurance and other certifications within the time provided.

If awarded the Contract, the undersigned agrees to execute the Contract prepared by the OWNER and to return the Contract with the required documents per the Instructions to Bidders.

The undersigned offers and agrees that if its bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 of Part 2 of Division 7 of the Business and Professional Code), arising from purchases of goods, materials or services by the Bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tender's final payment to the Contractor.

Bidder understands and agrees that, when requested by OWNER, he shall provide: (1) evidence satisfactory to the OWNER of Bidder's California contractor's license(s) in good standing at the time of bid submission; (2) evidence that the person signing this Bid is authorized to bind Bidder to this Bid and to a contract resulting therefrom; and (3) any other information and documentation, financial or otherwise, needed by OWNER to award a Contract to the lowest responsible and responsive bidder.

Bidder understands and agrees that liquidated damages shall apply to this Contract in the amounts and subject to the terms and conditions described in the Contract Form and the Contract Documents.

Attached to this Bid Form and by this reference incorporated herein and made a part of these completed Bid Forms are Section 2 - Bid Data Forms, Section 3 - Non-Collusion Declaration, Section 4 - Bidder Information Form, Section 5 - Notice of Pre-Bid Meeting and Job Walk, Section 6 - DVBE Requirements, Section 7 – Public Works Contractor Registration Certification, Section 8 – Iran Contracting Act Certification, and Section 9 – Siemens Industry, Inc. and Quark Communications, Inc. Acknowledgement.

The undersigned acknowledges receipt, understanding and full consideration of the addenda(s) acknowledged in OWNER's PlanetBids Vendor Portal to the Contract Documents.

The Bidder understands and agrees that the Total Bid Price is inclusive of all labor, materials, and equipment or supplies necessary to complete the Work as described in the Bid Documents. If this bid is accepted, the undersigned Bidder agrees to enter into and execute the Contract with the necessary bonds and accept the Total Bid Price as compensation in full for all Work under the contract.

SECTION 2 – BID DATA FORMS

Bidder shall submit its Bid data in accordance with the format shown on each of the following Bid Data Forms. Bidders shall prepare and use as many sheets as are necessary to adequately provide the information required. Bidder shall ensure that every page of its Bid Data Forms is properly identified with the Bidder's name and page number.

SECTION 2.A – LIST OF PROPOSED SUBCONTRACTORS

In compliance with the "Subletting and Subcontracting Fair Practices Act," Sections 4100 through 4114 of the California Public Contract Code, and any amendments thereto, each Bidder shall provide the information requested below for each subcontractor who will perform work, labor or render service to Bidder in or about the construction of the Work in an amount in excess of one-half of one percent (greater than 0.5 %) of the Bidder's Total Bid Price, or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the Contractor's total bid or ten thousand dollars (\$10,000), whichever is greater, and shall further set forth the portion of the Work which will be done by each subcontractor. Bidder shall list only one subcontractor for any one portion of the Work.

Pursuant to Public Contract Code Section 4104, the OWNER has determined that it will allow Bidders twenty-four (24) additional hours after the deadline for submission of bids to submit the information requested by the OWNER about each subcontractor on the Expanded List of Subcontractors Form provided, other than the name and location of each subcontractor.

If the Bidder fails to specify a subcontractor for any portion of the Work to be performed under the Contract, it shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth below.

Subletting or subcontracting of any portion of the Work in excess of one half of one percent (greater than 0.5%) of the Total Bid Price or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the Contractor's total bid or ten thousand dollars (\$10,000), whichever is greater, for which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after OWNER approval.

SECTION 2.B – BID BOND

KNOW ALL MEN BY THESE PRESENTS:

THAT _____, as Principal,
and _____, as Surety, are held firmly bound unto the **CHAFFEY COMMUNITY COLLEGE DISTRICT** (hereinafter called the DISTRICT) in the sum of _____ DOLLARS (\$ _____), being not less than ten percent (10%) of the Total Bid Price; for the payment of which sum will and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, said Principal has submitted a bid to the DISTRICT to perform all Work required for the construction of the Bid No. **2026PW188, New Welding Facility Center at Intech Center** as set forth in the Notice Inviting Bids and accompanying Bid Documents, dated October 20, 2025.

NOW, THEREFORE, if said Principal is awarded a Contract for the Work by the DISTRICT and, within the time and in the manner required by the above- referenced Bid Documents, enters into the written form of Contract bound with said Bid Documents, furnishes the required bonds (one to guarantee faithful performance and the other to guarantee payment for labor and materials) furnishes the required insurance certificates and endorsements, and furnishes any other certifications as may be required by the Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect. In the event suit is brought upon this bond by the DISTRICT and judgment is recovered, said Surety shall pay all costs incurred by the DISTRICT in such suit, including reasonable attorneys' fees to be fixed by the court.

SECTION 3 – NON-COLLUSION DECLARATION

The undersigned declares:

I am the _____ of _____, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on _____ [date], at _____ [city], _____ [state].

SECTION 5 – NOTICE OF PRE-BID MEETING & JOB WALK

CHAFFEY COMMUNITY COLLEGE DISTRICT New Welding Facility at Intech Center BID NUMBER 2026PW188

Each prospective bidder is responsible for fully acquainting himself with the conditions of the Project Site (which may include more than one site), as well as those relating to the construction and labor of the Project, to fully understand the facilities, difficulties and restrictions which may impact the total and adequate completion of the Project. The full extent of the Project can only be determined by a job walk-through. Therefore, the OWNER requires that all contractors attend the Pre-Bid Conference and Job Walk. The purpose of the Pre-Bid Conference and Job Walk is to give all bidders the opportunity to visit the job site prior to the bid date and ask any questions or request an explanation regarding details about the specifications and scope of work.

The OWNER expects that each contractor submitting a bid for this Project (a) is satisfied as to the conditions affecting the work, (b) has taken whatever measurements and/or gathered all information sufficient to properly bid the Project, (c) understands the facilities, difficulties and restrictions which may impact the total and adequate completion of the Project, and (d) receives clarification on any bidding and contracting requirements applicable to this Project. No allowance for lack of knowledge of existing conditions will be made after opening of the bids.

SECTION 6 – DISABLED VETERANS BUSINESS ENTERPRISE REQUIREMENTS

In accordance with Education Code Section 71028, the OWNER has a participation goal for Disabled Veteran Business Enterprises (“DVBE”) of at least three percent (3%) of the total dollar amount of contracts awarded.

ENCOURAGED PARTICIPATION

Although not specifically required, Bidders are encouraged to seek and include DVBE subcontractor and supplier participation in your bids.

REQUIRED DOCUMENTATION

Prior to, and as a condition precedent for, final payment under this Contract, the successful bidder will be required to provide documentation to the OWNER identifying the amounts paid to DVBEs in conjunction with this Contract so that the OWNER can assess its success at meeting its DVBE participation goal.

SECTION 7 – PUBLIC WORKS CONTRACTOR REGISTRATION CERTIFICATION

If this bid is due on or after March 1, 2015, then pursuant to Labor Code sections 1725.5 and 1771.1, all contractors and subcontractors that wish to bid on, be listed in a bid proposal, or enter into a contract to perform public work must be registered with the Department of Industrial Relations. See <http://www.dir.ca.gov/Public-Works/PublicWorks.html> for additional information.

No bid will be accepted nor any contract entered into without proof of the contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work.

Bidder hereby certifies that it is aware of the registration requirements set forth in Labor Code sections 1725.5 and 1771.1 and is currently registered as a contractor with the Department of Industrial Relations.

RESOLUTION NO. 121423

**A RESOLUTION OF THE GOVERNING BOARD OF
CHAFFEY COMMUNITY COLLEGE DISTRICT
DESIGNATING CERTAIN PRODUCTS, BRANDS OR
SERVICES PURSUANT TO PUBLIC CONTRACT CODE
SECTION 3400**

WHEREAS, pursuant to Public Contract Code Section 3400(b) the Chaffey Community College District ("District") may make a finding(s) designating certain products, things, or services by specific brand or trade name for the statutorily enumerated purposes; and

WHEREAS, the District's Governing Board ("Board") has reviewed the District's current facilities, general contracts, plans, and specifications in order to evaluate the District's need to establish uniform, complete and compatible Fire Alarm and Security Systems ("Low Voltage Systems") District-wide in order to facilitate the use of the most reliable, dependable, cost efficient and feasible products throughout the District; and

WHEREAS, the Governing Board approved a similar resolution December 15, 2022 and this resolution would be to designate proprietary Siemens products, brands and/or services for low voltage systems for another one year; and

WHEREAS, the uniform Low Voltage Systems will allow the District to ensure that the Low Voltage Systems utilized on all future District facility projects match the Low Voltage Systems in use at other District facilities as permitted pursuant to Public Contract Code Section 3400(b)(2); and

WHEREAS, District staff will be trained in the maintenance, repair, and replacement of the Low Voltage Systems described in the Specification and will maintain a stock of the equipment needed for replacements and maintenance; and

WHEREAS, District staff have determined that proprietary Siemens security system products and services will permit centralized monitoring of security for all District facilities; and

WHEREAS, based on the Board's above described review and Public Contract Code Section 3400(b)(2), the Board has determined that District must require and specify the use of certain proprietary Siemens products, things, or services on District projects.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BOARD OF THE CHAFFEY COMMUNITY COLLEGE DISTRICT AS FOLLOWS:

Section 1. The above recitals are true and correct.

Section 2. The District, pursuant to Public Contract Code Section 3400, intends to establish uniform, complete, and compatible Low Voltage Systems specifications District-wide in order to facilitate the use of the most reliable, dependable, cost-efficient, and feasible products throughout the District.

Section 3. The District has found compatibility, cost, ease of maintenance, and utility of Low Voltage Systems problematic and believes it necessary to establish a uniform District Low Voltage Systems Specifications in order to avoid incompatibility issues, as well as durability and reliability issues, and costs

associated with experimenting and replacing incompatible and useless Low Voltage Systems and to avoid the waste of District funds associated with addressing incompatible components.

Section 4. The District and its consultants have undertaken considerable research into the products/brands of Low Voltage Systems described in the Specification. District staff will be trained in the maintenance, replacement, and repair of the Low Voltage Systems described in the Specification and the District will maintain a stock of the equipment needed for replacements and maintenance.

Section 5. District staff has determined that the Low Voltage Systems has demonstrated their reliability, durability, and quality.

Section 6. Pursuant to Public Contract Code Section 3400(b)(2), the District's Board hereby designates the certain products/brands of Low Voltage Systems for the District's use in future projects so as to establish one complete uniform District-wide Low Voltage Systems system, thus, avoiding incompatibility of products, as well as replacement and maintenance problems.

Section 7. The designation of certain proprietary Siemens security system products and services of Low Voltage Electronic products shall be effective for 12 months from the date of this Resolution.

Section 8. At the end of the 12-month period, District staff will review the products/brands and evaluate whether re-adoption or discontinued use of the designated proprietary Siemens security system products and services is appropriate including presenting a recommendation to the Superintendent/President or his/her designee. The Superintendent/President or his/her designee shall then consider District staff's recommendations and either re-approve or discontinue the designation of the products/brands contained herein and/or approve additional/replacement products/brands.

Section 9. The Superintendent/President or his/her designee shall present changes, if any, for its ratification.

PASSED AND ADOPTED by the Governing Board of the Chaffey Community College District at Rancho Cucamonga, California, this 14th day of December 2023, at a regular meeting by the following vote:

I, Gloria Negrete McLeod, Clerk of the Governing Board of the Chaffey Community College District of San Bernardino County, California, do hereby certify that the foregoing is a full, true, and correct copy of a resolution duly adopted by said board at the regular meeting thereof at the date and place and by vote stated, which resolution is on file and of record in the office of said board.

RESOLUTION NO. 052622

**A RESOLUTION OF THE GOVERNING BOARD OF CHAFFEY
COMMUNITY COLLEGE DISTRICT DESIGNATING CERTAIN
PRODUCTS, BRANDS OR SERVICES PURSUANT TO PUBLIC
CONTRACT CODE SECTION 3400**

WHEREAS, pursuant to Public Contract Code Section 3400(c), the Chaffey Community College District ("District") may make a finding(s) designating certain products, things, or services by specific brand or trade name for the statutorily enumerated purposes; and

WHEREAS, the District's Governing Board ("Board") has reviewed the District's current facilities, general contracts, plans, and specifications in order to evaluate the District's need to establish uniform, complete and compatible campus building automation systems District-wide to facilitate the use of the most reliable, dependable, cost efficient and feasible products throughout the District; and

WHEREAS, the District has installed the Quark Communications Inc. manufactured, supplied, and installed InetSupervisor™ brand building automation/lighting control systems in sixteen (16) Chaffey campus locations in place of the aging Andover Controls; and

WHEREAS, to continue the campus building retrofit program, it is essential to maintain campus-wide system continuity to achieve higher cost efficiencies associated with standardized building automation systems and controls as further described herein. It is also advantageous that these systems and controls are furnished exclusively by a proven regional vendor that is currently servicing and supporting our existing campus systems; and

WHEREAS, District staff has undertaken considerable research into these and other programs and services for building automation systems to determine the best options to optimize building energy and operating efficiencies and has determined the InetSupervisor™ programs have demonstrated reliability, durability, quality, and provide added energy efficiency; and

WHEREAS, the continued acquisition of InetSupervisor™ systems will allow the District to ensure that the building automation/lighting control systems-related hardware and software which are operated and maintained on all future District facility projects match the existing InetSupervisor™ systems in use at the sixteen (16) previously updated District facilities as permitted pursuant to Public Contract Code Section 3400(c)(2); and

WHEREAS, District staff has been trained in the operation, programming, maintenance, and repair of the InetSupervisor™ systems and will maintain a stock of the equipment needed for replacements and maintenance; and

WHEREAS, District staff has determined that proprietary InetSupervisor™ system products and services will permit centralized computer monitoring of HVAC and lighting controls at all District facilities; and;

WHEREAS, InetSupervisor is the adopted building automation/lighting control system District standard for all Measure P bond facilities construction and revocations.

WHEREAS, based on the Board's above-described review and Public Contract Code Section 3400(c)(2), the Board has determined that the District must require and specify the use of certain proprietary and sole source Quark Communications Inc. distributed InetSupervisor™ system products, things, or services on District projects.

RESOLUTION NO. 052622 (CONT.)

NOW, THEREFORE, BE IT RESOLVED BY CHAFFEY COMMUNITY COLLEGE DISTRICT AS FOLLOWS:

Section 1. The above recitals are true and correct.

Section 2. The District, pursuant to Public Contract Code Section 3400, intends to establish uniform, complete and compatible building automation/lighting control system specifications District-wide in order to facilitate the use of the most reliable, dependable, cost efficient and feasible products throughout the District.

Section 3. The District has found that compatibility, cost efficiency, ease of operation and control, low maintenance, and utility of existing building automation systems is problematic. As such, the District believes it is essential to standardize its InetSupervisor™ District building automation/lighting control system specifications in order to avoid incompatibility issues. Such incompatibility issues include reduced building system reliability along with the operational, maintenance and training issues that add unnecessary costs associated with specifying multiple systems in new facilities or replacing unserviceable building automation systems in existing facilities. The goal is to avoid incompatible and non-conforming systems to gain building HVAC and lighting system operational efficiencies to provide greater occupant comfort and the associated energy savings without the added cost burden on limited District resources.

Section 4. The District and its consultants have undertaken considerable research into the products/brands of InetSupervisor™ systems described in the specification. District staff has been trained in the operation, maintenance, replacement, and repair of the InetSupervisor™ system described in the specification and the District will maintain a stock of the equipment needed for replacements and maintenance.

Section 5. District staff has determined that the subject InetSupervisor™ system products provided by Quark Communications Inc. have demonstrated their reliability, durability, and quality.

Section 6. Pursuant to Public Contract Code Section 3400(c)(2), the District's Board hereby designates that certain products/brands of Quark Communications Inc. InetSupervisor™ systems for the District's use in future projects so as to establish one complete uniform District-wide building automation/lighting system, thus, avoiding the incompatibility of non-standardized products, and thus to minimize the operational and control issues associated with related installation, computer control, maintenance, and training-related problems.

Section 7. The designation of certain proprietary and sole source InetSupervisor™ systems distributed by Quark Communications Inc., along with associated software programs, products, diagnostic services, repairs, and upgrades related to the InetSupervisor™ systems, shall be effective for sixty (60) months from the date of this Resolution.

Section 8. At the end of the sixty (60)-month period, District staff will review the subject products/brands and evaluate whether re-adoption or discontinued use of the designated proprietary and sole source InetSupervisor™ system products and services provided by Quark Communications Inc. is appropriate, including presenting a recommendation to the Superintendent/President or his/her designee. The Superintendent/President or his/her designee shall then consider District staff's recommendations and either re-approve or discontinue the designation of the products/brands contained herein and/or approve additional/replacement products/brands.

Section 9. The Superintendent/President or his/her designee shall present changes, if any, for its ratification.

RESOLUTION NO. 052622 (CONT.)

PASSED AND ADOPTED by the Governing Board of the Chaffey Community College District at Rancho Cucamonga, California, this 26th day of May, 2022, at a regular meeting by the following vote:

CALIFORNIA AIR RESOURCES BOARD (CARB) COMPLIANCE CERTIFICATION

This form, along with copies of the Contractor's and Subcontractors' CARB Certificates of Reported Compliance are to be submitted prior to award of this contract.

CALIFORNIA AIR RESOURCES BOARD (CARB): <https://ww2.arb.ca.gov/>

All projects awarded after January 1, 2024, are subject to the In-Use Off-Road Diesel-Fueled Fleets Regulation found at: <https://ww2.arb.ca.gov/our-work/programs/use-road-diesel-fueled-fleets-regulation>

Contracting requirements apply to both prime contractors and public works awarding bodies:

The Regulations apply to all public agencies that award a contract for the erection, construction, alteration, repair, removal, or improvement of any public structure, building, road, or other public lands, property, or improvement of any kind.

Contracting requirements for both prime contractors and public works awarding bodies are as follows:

- For a project involving the use of vehicles subject to the regulation, the prime contractor or public works awarding body must obtain copies of the valid Certificate of Reported Compliance (Certificate) for the fleets and subcontractors that are listed in the contract.
- Certificates must be obtained prior to awarding or renewing a contract.
- Noncompliant fleets, i.e., those without a valid Certificate, are prohibited from being contracted.
- Copies of the Certificates must be retained for three years after the project is complete.
- Records must be provided to CARB within five business days, upon request.

Additional Prime Contractor Obligation [Section 2449(j)] requirements that must be complied with are outlined at: <https://ww2.arb.ca.gov/resources/fact-sheets/fact-sheet-contracting-requirements>

Certificates of Reported Compliance ("CRC") must be included with proposal and are incorporated into this contract. Proof of Contractor and subcontractor certification is to be attached to this page.

The ARB Diesel Off-road Online Reporting System (DOORS) provides access to obtain Certificates of Reported Compliance: https://ssl.arb.ca.gov/ssldoors/doors_reporting/doors_login.html More information on these regulations along with FAQs and user guides are available on the Off-Road Zone website at: <https://ww2.arb.ca.gov/our-work/programs/truckstop-resources/road-zone>
