in
Mammoth Lakes, California

The project plans for the work to be done are dated and entitled:

**TOWN OF MAMMOTH LAKES
*Mammoth Yosemite Airport
Multipurpose Building

in
Mammoth Lakes, California

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes will be the total of all items for the base bid schedule.

The bidder shall set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for that purpose. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price bid and the estimated quantity for the item.

In the case of a discrepancy between the product of the "Estimated Quantity" and the "Unit Price" with the "Item Total", the product of the "Estimated Quantity" and the "Unit Price" shall prevail and the figure shown as the "Item Total" shall be adjusted accordingly. In the case of a discrepancy between the sum of the figures in the "Item Total" column (adjusted per the previous sentence, if necessary) and the amount set forth as the "Total Bid Amount", the sum of the figures in the "Item Total" column shall prevail and the amount shown as the "Total Bid Amount" shall be adjusted accordingly. In case of conflict between words and numerals, the words, unless obviously incorrect, shall govern, except as provided in (a) or (b), as follows:

(a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount as the entry in the item total column, then the amount set forth in the item total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price.

(b) (Decimal Errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, or

SUBMIT THIS SHEET AS PART OF YOUR BID

one-hundredth, etc. from the entered total, the discrepancy will be resolved by using the entered unit price or item total, whichever most closely approximates percentagewise the unit price or item total in the Town's Final Estimate of cost.

If both the unit price and the item total are unreadable or otherwise unclear, or are omitted, the bid may be deemed irregular. Likewise, if the item total for a lump sum item is unreadable or otherwise unclear, or is omitted, the bid may be deemed irregular unless the project being bid has only a single item and a clear, readable total bid is provided.

Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit price or item total or lump sums. Written unit prices, item totals and lump sums will be interpreted according to the number of digits and, if applicable, decimal placement. Cent symbols also have no significance in establishing any unit price or item total since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar. Bids on lump sum items shall be item totals only; if any unit price for a lump sum item is included in a bid and it differs from the item total, the items total shall prevail.

The foregoing provisions for the resolution of specific irregularities cannot be so comprehensive as to cover every omission, inconsistency, error, or other irregularity, which may occur in a bid. Any situation not specifically provided for will be determined in the discretion of the *TOWN OF MAMMOTH LAKES*, and that discretion will be exercised in the manner deemed by the *TOWN OF MAMMOTH LAKES* to best protect the public interest in the prompt and economical completion of the work. The decision of the *TOWN OF MAMMOTH LAKES* respecting the amount of a bid, or the existence or treatment of an irregularity in a bid, shall be final.

If this proposal shall be accepted and the undersigned shall fail to enter into the contract and furnish the two (2) bonds in the sums required by the State Contract Act, with surety satisfactory to the *TOWN OF MAMMOTH LAKES* within fifteen (15) days, after the bidder has received notice from the *TOWN OF MAMMOTH LAKES* that the contract has been awarded, the PUBLIC WORKS DEPARTMENT may, at its option, determine that the bidder has abandoned the contract, and thereupon this proposal and the acceptance thereof shall be null and void and the forfeiture of the security accompanying this proposal shall operate and the same shall be the property of the *TOWN OF MAMMOTH LAKES*.

The undersigned, as bidder, declares that the only persons or parties interested in this proposal as principals are those named herein; that this proposal is made without collusion with any other person, firm, or corporation; that he has carefully examined the location of the proposed work, the annexed proposed form of contract, and the plans therein referred to; and he proposes, and agrees if this proposal is accepted, that he will contract with the *TOWN OF MAMMOTH LAKES*, in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus, and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefor the following prices, to wit:

FOSTERING SMALL BUSINESS PARTICIPATION
Background 49 CFR §23.26 and §26.39

The Sponsor has established a Small Business Element in accordance with 49 CFR Part 23 and 26 to facilitate competition by small business concerns, taking all reasonable steps to eliminate obstacles to their participation and to create a level playing field on which small businesses can compete fairly. The Sponsor encourages small business participation, including AC/DBE certified firms and SBA certified Small Disadvantaged Business (SDB), Women-Owned Small Business/Economically Disadvantaged Women-Owned Small Businesses (ED/WOSB), Veteran-Owned Small Business/Service-Disabled Veteran-Owned Small Business (SD/VOSB), 8(a) Small Business Development Program (8(a)), SBA Mentor-Protégé Program (SBA MP), and HUBZone Program (HUBZone).

AC/DBE certified firms can be located through the State's UCP website and SBA certified firms can be located through the Small Business Search Tool (<https://beta-search.certify.sba.gov/advanced> and https://dsbs.sba.gov/search/dsp_dsbs.cfm).
