Project No.: 3540SRAEUCO0182
Project Name: Parkfield Fire Station Facility Replacement
Location: 70331 Vineyard Canyon Road, Parkfield, California

Drawing Reference: CG101, CG102, LS101 Project Manual Reference: _____

Question:

The civil plans show a "vegetated swale" per detail 2 on CG502, but there is no indication or note on the landscape plans about that. See screenshots below. What should we assume in this area?

This area was intended to be hatched with hatching for "One sided blue grass or similar...". Assume this area to have the grasses on side slopes and bottom of swale.
