## Question:

Section 01 32 00 requires schedule activities for State-furnished products, and 01 10 00 1.2 excludes items "marked NIC, BUA or otherwise designated," but no consolidated list of State-furnished or NIC items is provided. Please issue a definitive schedule. In particular, please confirm: radio/communications antennas and antenna cables are NIC (contractor provides pathways, mounts, and grounding); televisions are NIC (contractor provides blocking, power, data); trash/recycling bins and dumpster are NIC; loose furniture is NIC; and the residential appliances shown in the schedules (range, hood, refrigerators, ice maker, disposal, washers/dryers) are contractor-furnished and installed.

**The interpretation of the specific items listed above is correct. A consolidated schedule of State-furnished products will not be provided.**

**Response by G. Vincent**
