

CONSTRUCTION & DEMOLITION RECYCLING PLAN (CDRP)

Waste going to the landfill from construction and demolition activities must be minimized to the greatest extent possible by recycling. (OMC 6-.6.602.)

KEY TAKEAWAYS

- City of Ontario is an exclusive hauler
- Customer Service can request delivery of a C&D roll-off at (909) 395-2050
- A diversion report can be created at the end of the project
- Weight slips are needed to ensure 65% of the material is diverted
- CalGreen Codes require that at least 65% of construction material is diverted

CONSTRUCTION & DEMOLITION

- Asphalt
- Brick
- Cardboard
- Carpet/Carpet Pads
- Ceiling Tile
- Clean Wood
- Concrete
- Drywall
- Sheetrock
- Metal
